Evidence Base

The assessment of an applicant's evidence base has two parts:
1) The evidence tier that is appropriate for their program. Definitions and requirements for each tier are defined beginning on page 23 of the Request for Proposals, found on the [Competitive Program RFP page](#). The evidence tiers are:
      (1) Pre-preliminary
      (2) Preliminary
      (3) Moderate
      (4) Strong

2) The quality of the applicant's evidence and the degree to which it supports the proposed program design will be assessed and scored.

3. Evidence Tier

The "Evidence Tier" section immediately follows the "Theory of Change" section of the "Application" document.

The goal of this section is to determine the relevance and strength of the evidence provided as it relates to the proposed program.
